TOGETHER with the tenements, hereditaments and appurtenances therunto belonging, or in anywise appertaining, and the rents, issues and profits thereof, SUBJECT, HOWEVER, to the right, power and authority hereinafter given to and conferred upon Beneficiary to collect and apply such rents, issues and profits. To have and to hold the same, with the appurtenances, unto Trustee.

Trustor shall be entitled to possession of the above described premises from and after the date of execution of this Trust Deed, and for so long as all payments on the promissory note herein referred to are currently paid and all promises, conditions and covenants of the Trustor herein are faithfully kept and performed.

FOR THE PURPOSE OF SECURING: 1. Performance of each agreement of Trustor herein contained. 2. Payment of the indebtedness evidenced by one promissory note of even date, herewith, in the principal sum of
 --THREE HUNDRED SEVENTY-FIVE THOUSAND AND NO/100--
 (\$ 375,000.00) DOLLARS, payable to Beneficiary or order, the terms and duration of which are incorporated herein by reference. 3.

A. To Protect the Security of this Deed of Trust, Trustor Agrees:

1. To keep said property in good condition and repair, not to remove or demolish any building thereon; to complete or restore promptly and in good and workmanlike manner any building which may be constructed, damaged or destroyed thereon and to pay when due all claims for labor performed and materials furnished therefor; to comply with all laws affecting said property or requiring any alterations or improvements to be made thereon; not to commit or permit waste thereof; not to commit, suffer or permit any act upon said property in violation of law; to maintain in an orderly manner, paint, repair, keep free from freezing, and do all other acts which from the character or use of said property may be reasonably necessary, the specific enumerations herein not excluding the general.
2. To provide, maintain and deliver to Beneficiary fire insurance satisfactory to and with loss payable to Beneficiary in an amount at least equal to the balance owing at all times under this Deed of Trust.

The amount collected under any fire or other insurance policy may be applied by Beneficiary upon any indebtedness secured hereby and in such order as Beneficiary may determine, or at option of Beneficiary the entire amount so collected or any part thereof may be released to Trustor. Such application or release shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

3. To appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustor; and to pay all costs and expenses, including cost of evidence of title and attorney's fee in a reasonable sum, in any such action or proceeding in which Beneficiary or Trustee may appear, and in any proceeding brought by Beneficiary to foreclose this Deed.

4. To pay: at least ten days before delinquency all taxes and assessments affecting said property; when due, all encumbrances, charges and liens, with interest, on said property or any part thereof, which appear to be prior or superior hereto; all costs, fees and expenses of this Trust.

5. To pay immediately and without demand all sums expended by Beneficiary or Trustee pursuant to the provisions hereof, with interest from date of expenditure at ten and one-quarter (10.25%) per cent per annum.

6. Should Trustor fail to make any payment or to do any act as herein provided, then Beneficiary or Trustee, but without obligation so to do and without notice to or demand upon Trustor, and without releasing Trustor from any obligation hereof, may: make or do the same in such manner and to such extent as either may deem necessary to protect the security hereof. Beneficiary or Trustee being authorized to enter upon said property for such purposes; appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; pay, purchase, contest or compromise any encumbrance, charge or lien which in the judgment of either appears to be prior or superior hereto; and, in exercising any such powers, pay necessary expenses, employ counsel and pay his reasonable fees.

B. It is mutually agreed that:

1. Any award or damages in connection with any condemnation for public use of or injury to said property or any part thereof, is hereby assigned and shall be paid to Beneficiary who may apply or release such moneys received by him in the same manner and with the same effect as above provided for disposition of proceeds of fire or other insurance.

2. By accepting payment of any sum secured hereby after its due date, Beneficiary does not waive his right either to require prompt payment when due of all other sums so secured or to declare default for failure to pay.

3. At any time or from time to time, without liability therefor and without notice, upon written request of Beneficiary and presentation of this Deed and said Note for endorsement, and without affecting the personal liability of any person for payment of the indebtedness secured hereby, Trustee may: reconvey all or part of said property; consent to the making of any map or plat thereof; join in granting any easement thereon; or join in any extension agreement or any agreement subordinating the lien or charge hereof.

4. Upon written request of Beneficiary stating that all sums secured hereby have been paid, and upon surrender of this Deed and said Note to Trustee for cancellation and retention, and upon payment of its fees, Trustee shall reconvey, without warranty, the property then held hereunder. The recitals in such deed shall be conclusive proof of the truthfulness thereof. The grantee in such reconveyance may be described as "the person or persons legally entitled thereto."

5. As additional security, Trustor hereby gives to and confers upon Beneficiary the right, power and authority, during the continuance of these Trusts, to collect the rents, issues and profits of said property, reserving unto Trustor the right, prior to any default by Trustor in payment of any indebtedness secured hereby or in performance of any agreement hereunder, to collect and retain such rents, issues and profits as they become due and payable. Upon any such default, Beneficiary may at any time without notice, either in person, by agent, or by a receiver to be appointed by a court, and without regard to the adequacy of any security for the indebtedness hereby secured, enter upon and take possession of said property or any part thereof; in his own name sue for or otherwise collect such rents, issues and profits, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection, including reasonable attorney's fees upon any indebtedness secured hereby, and in such order as Beneficiary may determine. The entering upon and taking possession of said property, the collection, of such rents, issues and profits and the application thereof as aforesaid, shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

6. Upon default by Trustor in payment of any indebtedness secured hereby or on performance of any agreement hereunder, all sums secured hereby shall immediately become due and payable at the option of the Beneficiary. In the event of default Beneficiary shall execute or cause the Trustee to execute a written notice of such default and of his election to cause to be sold the herein described property to satisfy the obligation hereof, and shall cause such notice to be recorded in the office of the recorder for each recording district wherein said real property or some part thereof is situated.

Notice of sale having been given as then required by law and not less than the time then required by law having elapsed after recording of such notice of default, Trustee without demand on Trustor, shall sell said property at the time and place of sale fixed by it in said notice of sale, either as a whole or in separate parcels and in such order as it may determine, at public auction to the highest and best bidder for cash in lawful money of the United States, payable at time of sale; provided, however, that at any time before the sale, if the default has arisen by failure of Trustor to make payments required hereunder, the default may be cured by payment of the sum in default other than the principal, which would not then be due if no default had incurred by the Trustor due to the default; and, provided further, that if notice of default hereunder has been recorded two or more times previously and

the default has been cured pursuant to this paragraph, the Trustee may elect to refuse payment and proceed with the sale. Trustee may postpone sale of all or any portion of said property by public announcement at such time and place of sale, and from time to time thereafter may postpone such sale by public announcement at the time fixed by the preceding postponement. Trustee shall deliver to the purchaser its deed conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in such deed of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person, including Trustor, Trustee or Beneficiary, as hereunder defined, may purchase at such sale.

After deducting all costs, fees and expenses of Trustee and of this Trust, including cost of evidence of title and reasonable counsel fees in connection with sale, Trustee shall apply the proceeds of sale to payment of: all sums expended under the terms hereof, not then repaid with accrued interest as set forth in paragraph 5 herein; all other sums then secured hereby; and the remainder, if any, to the person or persons legally entitled thereto.

7. Nothing contained herein shall be construed to limit the right of Beneficiary to foreclose this deed of trust by judicial action. Beneficiary shall further be entitled to bring an action upon the note secured by this Deed of Trust without attempting to foreclose this Deed of Trust either by judicial action or by exercise of the power of sale.

8. This Deed applies to, inures to the benefit of, and binds all parties hereto, their heirs, legatees, devisees, administrators, executors, successors and assigns. The term Beneficiary shall mean the holder and owner, including pledgee, of the note secured hereby, whether or not named as a beneficiary herein, or, if the note has been pledged, the pledgee thereof. In this Deed, whenever the context so requires, the masculine gender includes the feminine and/or neuter, and the singular includes the plural.

9. Trustee accepts this Trust when this Deed, duly executed and acknowledged, is made a public record as provided by law. Trustee is not obligated to notify any party hereto of pending sale under any other Deed of Trust or of any action or proceeding in which Trustor, Beneficiary or Trustee shall be party, unless brought by Trustee.

10. Beneficiary may, from time to time, as provided by statute, appoint another Trustee in place and stead of Trustee herein named, and thereupon the Trustee herein named shall be discharged and Trustee so appointed shall be substituted as Trustee hereunder with the same effect as if originally named Trustee herein.

11. If two or more persons be designated as Trustee herein, any, or all, powers granted herein to Trustee may be exercised by any of such persons, if the other person or persons is unable for any reason, to act; any recital of such inability in any instrument executed by any of such persons shall be conclusive against Trustor, his heirs and assigns.

12. In addition to the powers bestowed upon the Trustee by Statute and elsewhere in this instrument, the Trustee is hereby specifically empowered to execute and deliver an appropriate deed of reconveyance upon receiving satisfactory assurance that the note secured hereby, together with interest and any advance shown to have been made by or on behalf of the Beneficiary under the terms of the Trust Deed have been paid in full; and in this connection, the Trustee may consider advice in writing to such effect from the First National Bank of Anchorage, or any agent subsequently authorized to collect the Promissory Note as such satisfactory evidence.

The undersigned Trustor requests that a copy of any Notice of default and of any Notice of Sale hereunder be mailed to him at his address hereinbefore set forth.
